By the Schooner Jennie, which arrived here a few days sloce, was sent by Mr. Wilcox, Sheriff of Kanal, a use named Herekia, charged with manslaughter Through the kindness of Marshal Perke, we are enabled to give the following particulars: It seems that Henckin is known at Hansiel as being a rathe fast man, delighting in keeping and riding fast horses. So notorious had he become in this respect that the industrious people of that vicinity had got to look upon him as a sort of nuisance, and a some what dangerous one, too. The result of his fancy for fine horses and his forious ridling was, that one day last work while riding furiously a Chinese woman, bearing a child in her arms, happened to be walking along the same road, he ran ever her and berchild, instantly killing the latter, and seriously injuring the woman. He was prompily arrested and committed on the charge of manalenghter.

ASSAULT WITH INTENT TO KILL -- A most brotal variety store on the Kalihi road, on Wednesday evening last, at between half past seven and eight o'clock. It appears that at this time, it being very whether that power is exercised by a single person, quiet, Mr. Bennett shut up the front door of his or a monarch or by five hundred persons called a shop, shortly after which a person knocked at the Congress, It is equally a despotism. door, and said be wanted some kerosene off. He the propeletor if he would not make a measurable. On are the abuses and corruption in the Gow being told that he could not, the man said be would then stooped down to get the bread required, from Burtbard case, and other alleged on a stoos, a box on the floor, when the would be murderer attacked blm with a large batcher-knife, lefteting a flicting a wound on the left side of Mr. Bennett's ture some five or six lockes long. The cut on the be fata', as the knife strock the bone at the lower on from power and position, and placed in the pust of the skull, and although indicting a terrible and dangerous wound, one not necessarily fatal. most jostantaneously, as the vertebra would have undoubtedly been severed. The cries of Mr. Bennote, who gid not loss conscirators during the whole of the affair, so frightened the assessin that be fiel, and when the neighbors who heard the cries of the wounded man had arrived at the shop, the criminal but escaped. A man was immediately dispatched to the Station-bogse in town, and upon his report both the Marshal and Deputy-Marshal received to the scene at once. On arrival there they froad Mr. Bennett lying on the floor of his shop, who had at once been sent for by the Marshal, soon have mire constant and better care and nursing than it would be possible to give him in the isolated at the for from a monster mortar provided for that position of his nouse at Kalibi. He was therefore purpose. The wire net would, according to the interfirst brains. After the apprehension of several seeing the ecemy entangled in the merker, the French and brought before the wounded man, and was at death. The rejection of this new military machine some recognized by him as the man who committed was attributed by the inventor to "treachery" on the the assault. A great meeting was beld here to night, to advocate liberal Republican policy at the approaching Cincionati Convention. It was one of the largest in numbers and most imposing by comparison ever held in this city. An hour before the commence A RUNAWAY .- While the Volunteer Military com. ment of the meeting, the Cooper Institute was panies were marrialing along Queen street, and when thronged to its numest capacity; thousands clamorabreast of Kashumanu street, a horse attached to a | ed in vain for admission, and falling to find it re wagon got startled with the noise of the drams and | mained for hours outside the building. Every seat ran off without any one in it except a dog. The was occupied, and the aisles, from the platform upmin ran up street and turned Schaefer's corner ward, densely crowded. The platform was literally in the direction of Namanu street, but before reach- packed with men prominent in political and sociaing it the whole affair brought up against a number circles. Among them were Horaco, Greeley, Sinof large iron pots near Mr. Waterbonse's store clair Toncy, M. H. Grinnell, Biram Barney, Marbonse, where the horse broke away with the shafts shall O. Roberts, George Wilkes, Frank Leslie, Jac.

At eight o'clock the President Introduced Scenarios fine air by a jolt of the wagoe, in front of the Sallor's Trumbull, who, after alluding to the auti Slavery Home, and as the tram went from under him the struggle, the civil war and restoration of the Union. paor brate dropped to the ground without any said one cause of complaint which produces alienamislap but apparently very much scared. It seems tion in the late insurrectionary States, and keeps simust mireculous that no one was injured as there - slive the bates and animosities engendered by the were quite a number of people on the streets at the war is the continuance of political disabilities. There are two causes which prevent the removal of discbillities, one is mercenary and the other partison But the great measure is demanded to the name of honesty, in the name of peace and the best wishes of the country. Another cause of complaint among the people is the manner in which the patronage of this Government is used-as if it was so much money

Passing from the subject of Civil Service Reform, the Secutor referred to the unwarranted assumption of power by the Departments of the Federal Government, and enquired how long the people would preserve their liberties if they quietly submit to this cocroachment of those in power. The safety of citizens and protection in his person and property is to be found in the local laws which the people themselves administer, and not in the Central Government where the powers of the Government are comblord. If this system of encroschment is permitted to go on the day is not distant when our Republican atstem, based on the idea of the division of powers be attack was made on Mr. C. C. Bennett, who keeps a tween the Federal Government and States, will be transformed into one Imperial despetism with all the power at the City of Washington, and I care not

Another matter complained of, and instir, and was admitted and the bottle filled, when be asked perhaps more loudly than any other by the people, He referred in strong terms to the New York Custake a small quantity of hard bread. Mr. Bennett tom House france, and Robeson investigation, the went on to say that there should be reform in our revenue system, by which taxation shall be reduced movet severe and dangerous wound on the back of said so arranged as to bear equally, as far as possible, his neck. He again atruck him with the knife in upon all branches of industry, without increasing one branch for the benefit of another, and the purification of the Civil Service and administration of back part of the bead was fortunately too high to the Government, by which plunderers shall be driv-

hands of bonest men I had hoped that all these reforms could be ac-Had the knill descended in lach lower on the complished through the instrumentalities of those muck, death would probably have resulted at now having the control of the Government, but the experience of the past session of Congress and the present session has satisfied me that these reforms cannot be accomplished through the agency of the rolling spirits now controlling them. The remedy most come from the people. You can't obtain them through the politicians. I am glad to believe in the country that will arouse its honest scutiment and lead to the correction of these abuses.

A NEW Essess or Wan.-Immediately after the declaration of war against Prussia, proposals were made to the Emperir Napoleon by an inventor, for "annihilating" the Prassians on moderate terms. scrived, and dressed the wounds. It was thought | An immense set of fine wire, "capable of exceleping best to being Mr. Bennott into town, where he would an entire army corps," with solid cannot balls attached to the corners to keep it stendy, was to be fired taken to Dr. McGrew's Hospital on the same even- tions of the inventor, have fallen on the body of lag, and we are happy to say that his wounds are troops marked out for destruction or capture, when, marties whom Mr. Besentt failed to recognize, on would have nothing to do but march up to them and Friday last a native named Kabilialan was arrested disarm them, or, in case of resistance, put them to

SHIPPING NEWS.

BEFORE OF SCHE. A. P. JOHDAN. - From Capt. Perry and his first officer, we have been furnished with the following report of the round trip : Sailed from Honolula for San Francisco Jon. 27th ; had fine trade winds for two days, then light for three days. Was in company with the bark Camden first two days out. On the 1st of Pebruary wind changed, and blow from WSW, strong. On Friday night shortened sail, the appearance of the weather indicating a coming storm. On Saturday morning, the 2nd, blowing a gale from WSW, the vessel running before it, and Approved making good weather, though she had only six feet of her mainsuit set, and the spray sweeping over the ressel. While taking in the spanker, all those enned by the accompanying heavy clap of thunder. The lightning and thunder were continuous during the night, and raining all the while. Had very heavy squalls in the afternoon, as the gale was breaking CHAIN CABLES-14 in bar, fink, 120 faths. up, with a very heavy cross sea running. During the height of the gale carried away the fore-boom, while taking in the foresail. As the gale moderated, at 3 p.m. made sail, the wind veering to the South. Latter part of voyage had the winds from WNW to On nearing the Coast, bad fogs for two days before arrival. Came to anchor on Sunday, the 18th of February, making the passage in 22 days. After discharging cargo, sailed from San Francisco on the Sth of March for Humboldt Bay, and reached that place in four days; took in a cargo of lumber, and sailed for Honolula on her return trip as the 9th of April. First part of passage had fresh NW and West erly winds to 27 N and 144 W; then had light airs and calms 4 days. Took the NE trades in Lat. 25:30 N. Long. 146 W. from thence to part moderate trades Sighted Mani April 27th, and anchored off Honolulu at Sp.m. same day. THE arrivals from San Francisco, since our

issue have been the clipper ship Sumatra, on Friday April 26th, in 14 days ; and the clipper ship Sunrise, on Monday, the 19th, in 15 days. The former lay at anchor outside, and sailed the same evening for Hooghong. The Suzrice came into port, and will sail in a few days, under charter to load guano at one of the Am. Goano Co's Islands; she will take a number of laborers, provisions, etc., for Enderbury Isl
